

COVID-19 Community Report

Date: Wednesday, November 4, 2020

Time: 7:00 PM

20-074

CDC Guidance on Severe Weather and COVID-19

- Understand your planning may be different this year because of the need to protect yourself and others from COVID-19.
- Give yourself more time than usual to prepare your emergency food, water, and medicine supplies. Home delivery is the safest choice for buying disaster supplies. If in-person shopping is your only choice, take steps to protect your and others' health when running essential errands.
- Protect yourself and others when filling prescriptions by limiting in-person visits to the pharmacy. Sign up for mail order delivery or call in your prescription ahead of time and use drive-through windows or curbside pickup, if available.
- When you check on neighbors and friends, be sure to follow social distancing recommendations (staying at least 6 feet from others) and other CDC safety recommendations.
