

COVID-19 Community Report

Date: Wednesday, March 31, 2021

Time: 7:15 PM

20-096

Happy Easter

The safest way to observe religious and spiritual holidays this year is to gather virtually, with people who live with you, or outside and at least 6 feet apart from others

- *Enjoy traditional meals with those who live with you.*
- *Practice religious holiday customs at home*
- *Prepare and deliver a meal to a neighbor*
- *Watch virtual religious and cultural performances*
- *Attend religious ceremonies virtually*
- *If you plan to celebrate with others, outdoors is safer than indoors*

COVID-19 Vaccines Distributed by DOH Brevard at Viera
as of 3/31

Vaccine Operation Highlights

- Florida Department of Health in Brevard, and the partners they support, have provided **67,481** vaccines since January 4, 2021
- Governor DeSantis [Executive Order 21-79](#) expanded minimum age of those eligible to now include individuals 40 years and older
 - Effective Monday, April 5th, eligibility will be further expanded to include everyone 18 years and older
 - Pfizer** is the **only** vaccine approved by the FDA for those 16 to 17 years old and requires parental or legal guardian consent to be administered
 - The state is working on developing additional guidance to vaccinate those individuals ages 16 & 17
 - At this time there are no COVID-19 vaccines approved for anyone under the age of 16
 - Appointments are still required via standard scheduling processes
- Per the Florida Department of Health, the total number of residents vaccinated in Brevard County is
 - 158,646 have received at least one dose
 - 88,589 completed the full series
- Per the Florida Department of Health, the percentage of Brevard County seniors who have received at least one dose:
 - 65% of over the age of 65
 - 47% of over the age of 50
- As part of the Governor's partnership with faith-based groups to reach underserved communities; the Church of Our Savior, the Church of the Blessed Redeemer, and the Brevard Hispanic Center collaborated to help vaccinate just under 600 people at the Church of Our Savior in Palm Bay
- The Florida Division of Emergency Management has launched a contact email for homebound seniors to register for the COVID-19 vaccine to be brought directly to them
 - To register, send your request and contact information to: HomeboundVaccine@em.myflorida.com

Brevard County Updates

- Brevard County Government has a limited amount of funds to assist families who have lost a loved one due to Coronavirus. The [application for the program](#) is available at the Community Action Agency (Dr. Joe Lee Smith Community Center, 415 Stone Street, Cocoa, FL 32922), or [Brevard County's Housing and Human Services website](#).
 - Eligibility requirements include:
 - Cause of death on the death certificate must be directly or indirectly related to Coronavirus (COVID-19)
 - Example of indirect – heart attack (main) exacerbated by coronavirus
 - Brevard resident and household income below 150% of poverty (\$39,300 for a family of 4)
- The [Emergency Rental Assistance Program](#) provides financial assistance and housing stability services for those impacted by COVID-19.
 - Eligibility requirements include:
 - Applicant is a resident of Brevard County and is below 80% of Area Median Income.
 - The applicant must sign all required documents or their application will be rejected/denied.
 - Documentation of all income from the entire Household as reported on the Household Income Section of the application (include 2 months of bank statements, paystubs, etc., or a 2020 tax return (IRS Form 1040)).
 - All members of a household must be accounted for in the application.
 - For applications filled out by hand, please make sure that the writing is clear and legible.

State and National Updates

- Per the Florida Division of Emergency Management, State supported COVID-19 vaccine and testing sites Easter Sunday schedule:
 - All State supported **vaccine sites** will be **open** on April 4
 - All state supported **testing sites** will be **closed** on April 4
- Each of the four federally-supported vaccine sites (Jacksonville, Orlando, Tampa, and Miami), are now administering 3,000 first doses per day of the Pfizer vaccine and have extended their operations until May 26
- Per the White House COVID-19 Response Team, the Federal Retail Pharmacy program will be doubling the number of participating pharmacies by April 15, aiming to have 90 % of Americans live within 5 miles of vaccination site
- Per the CDC, [as of March 31, more than 150 million doses of vaccines have been administered in the United States and 29% of the entire United States population over the age of 18 have been vaccinated.](#)
- The CDC launched a [COVID-19 pregnancy registry](#), to learn more about COVID19 vaccination during pregnancy. People who choose to enroll in the registry will be contacted several times throughout their pregnancy for additional health check-ins.
 - To register: [V-Safe.cdc.gov](https://www.cdc.gov/v-safe/)
- [Per the CDC, fully vaccinated individuals can gather indoors with other fully vaccinated people without wearing a mask and do not need to isolate if exposed to someone who has COVID-19 unless living in a group setting](#)
