# TOWN OF MELBOURNE BEACH, FLORIDA

# FY2024 BUDGET

# Town of Melbourne Beach

# August 31, 2023

# Town of Melbourne Beach, Florida

# To The Honorable Mayor, Vice Mayor, Commissioners, Town Residents and Staff

Submitted for your consideration is the proposed FINAL 2024 FISCAL YEAR BUDGET (October 1, 2023 through September 30, 2024) including a Ten Year Capital Plan, as required by the Town Charter.

- \* The budget is submitted in the amount of \$4,923,187 inclusive of the General Fund and all Major and Minor Funds, 17 Funds in total.
- \*The millage rate, as approved by the Town Commission is 4.570%, which represents a 10% increase over the rollback rate of 4.1630%. The FY2024 millage rate is less than the FY23 and the FY22 rate.

# Revenues

- \*The FY24 revenues and expenditures of \$4,923,187, is greater than the FY23 revenues and expenditures by \$862,185.
- \*\$2,685,662 in revenue is anticipated to be generated at 97% of the Ad Valorem tax rate. The remaining tax revenue of \$1,060,753 is generated through Utility Services Fees, Franchise Fees, Gas Taxes, Communications Service Tax and the Insurance Premium Tax. The tax revenue has increased 8,71% over FY23.
- \*Other revenue increases in FY24 are: Licenses & Permits 7.16%, Intergovernmental 8.35%, and Services .98%. Fine & Forfeitures have decreased revenue of 6.77%
- \* The miscellaneous income category has the largest increases from FY2023 of \$239,000 (37.6%)
  - \*\$100,000 represents funds loaned to the General Fund from the Reserve Account to pay for the State Mandated repairs to the Town's elevator to be completed in 2024. \$50,000 will be repaid to the Reserve Account in FY25 with the remaining \$50,000 to be repaid in FY26.
  - \*\$74,000 represents funds moved from Committed Funds into the General Fund, Dept. 21.
  - \*\$20,000 represent funds moved from the Building Dept. Fund 125, back to the General Fund. This transfer of funds from the Building to the General Fund has not taken place since 2019.
  - \*\$30,000 represents a transfer into the Beautification Fund from the Ryckman Parking Fund.

# **Parking Revenue**

Parking has generated \$374,444 from FY22 and FY23. The estimated parking revenue for FY2024 is \$202,000. These non-resident paid dollars, generate income similar to that of our total Licensing and Permits revenue and our Intergovernmental revenue. This revenue has allowed the Town to make improvements to our parks and signage that otherwise may not have been possible.

#### **FY23 Grants**

Finance Manager Kerr continues to secure safety grants through Florida Municipal Insurance Trust to offset Public Works purchases of safety equipment.

#### **Taxable Value**

The Town's current year <u>net new taxable value</u> (added for new construction, additions, and rehabilitative improvements) issued from the Brevard County Appraiser's Office is \$5,865,294. The majority of lift in property values comes from new home sales. Each time a home is sold, the new homeowner's taxes are based on the *current assessed* property value from Brevard County. Once the new homeowner *homesteads* their property, an additional assessed value limitation begins. In 1992, the Florida Constitution was amended to limit the annual increases in the *assessed value of property receiving Homestead Exemption to 3%* or the percentage change in the <u>Consumer Price Index</u>, whichever is lower. This assessment limitation is commonly referred to as the 'Save Our Homes' or 'SOH' cap. The lift in property values will continue as long as homes are bought and sold and the market value of homes continues to moderately increase.

# Millage

The FY2024 Millage Rate is 4.570%

The current millage represents a decrease from FY23 (4.580%) and FY22 (4.6864%). The Town of Melbourne Beach has the third lowest millage rate in Brevard County. West Melbourne and Cape Canaveral are the only municipalities with a lower millage rate than Melbourne Beach.

The millage rate is the tax rate used to calculate local property taxes. The millage rate represents the amount per every \$1,000 of a property's *assessed value*. Voted millage rates are multiplied by the total taxable assessed value of the property in order to arrive at the property taxes. Property tax in dollar terms is calculated by multiplying the *assessed* property value and the mill rate and dividing by 1,000. The Town's millage rate has remained fairly constant over the past 6 years.

FY2023-4.5800% FY2022-4.6864% FY2021-4.5151% FY2020-4.534% FY2019-4.3885%

# **Tax Rate Impact on Residents**

As a result of the Town's commitment to long-term financial stability, public safety, infrastructure and the future sustainability of the Town, are being continually improved. The Town Manager, Police, Fire, Finance, Town Clerk and Public Works are able to take advantage the latest training and have the proper tools to perform their jobs expertly and efficiently. The Town is able to attract and retain qualified, dedicated employees, who are interested in making a long term commitment to the success of Melbourne Beach. The Town is able to continue its upgrades to our amenities and provide educational and recreational services for the benefit of the residents.

# **Expenses**

# **Operational Expenses**

The traditional "below the line" budget section reflects the direct costs for the day to day operation of the Town. Costs that are "above the line" refer to costs associated with salaries and benefits. Departmental costs are figured using historical data, upcoming needs based on projects and notices of rate changes from vendors, the State of Florida and utilities. Some expenses are offset by revenues generated through grants, donations and parking revenue.

#### Salaries and Benefits: "Above the Line"

- \*Employees in good standing are entitled to a 3% cost of living increase and 3% merit increase.
- \*The Town pays for 100% of the employee's health insurance and 50% of the premium for a spouse and child.
- \*The Town contributes the mandated amount of 13.57% into an employees retirement account through the Florida Retirement System. Employees are mandated to contribute 3%.
- \*The Town will contribute \$142,500 into the Police Pension Fund for FY24. Department 21 employees are required to contribute 5% of their annual pay.
- \* The Town pays for \$30,000 in life insurance for Police Officers and \$15,000 for all other employees
- \*\$1,841,620 is the FY24 expense for all salaries and benefits for Public Safety employees.
- \*\$ 481,753 is the FY24 expense for all General Government employees

# Operating Funds: "Below the Line"

- \*Public Safety is comprised of Police, Fire, Building, Code and Public Works. Their FY24 operating expenses are \$647,530.
- \*General Government is comprised of Legislative, Executive, Finance, Town Attorney, Town Planner,
- \*General Service and Parks & Recreation. Their FY24 operating expenses are \$1,351,508.

# Capital Expenditures:

- \*Capital Expenditures are designated under the operating expense. Once purchased the Town tracks Capital Expenditures as assets to the Town. These assets are depreciated over a 5 year to 30 year time frame.
- \*Public Safety has \$156,269 in capital expenses. This represents \$23,400 for Police, \$118,869 for Fire and \$18,250 for Public Works.
- \*General Government has \$340,700 in capital expenses. This represents \$85,700 in Legislative, \$225,000 in General Government and \$30,000 in Parks & Rec.

# **Parking Revenue Expense Offset**

- \* Ocean Park revenues have offset Public Works salaries and benefits, the installation of a 100' board walk, electricity and water at Ocean Park, upgrades to the volleyball court, parking lot repairs, life guard contract, banking fees, grounds maintenance and janitorial supplies.
- \*Ryckman Park revenues have offset the cost of decorative light poles and traffic signs, Town banners, the restoration of the dolphin carving, cultural services, the Ryckman Park free recreational programs (yoga-2x per week, Tai Chi, Qigong and My Musical Tree-2x per month) banking fees, engineering services, sod replacement and plantings.

# **Capital Projects**

The proposed budget has been perfected through workshops and public meetings. Each year the Town Manager and Town staff review the departmental goals and objective for the next ten years to establish a baseline for capital expenditures. The objectives are then reviewed by the Town Commission and are incorporated into the 10 Year Capital Plan as required by the Town Charter. Planning high dollar capital projects on a ten year schedule allows for better level loading during a longer cash accumulation period. The short term Capital Projects for FY23 are listed below by department:

#### \*General Government

Total Short Term capital improvements will allow for the purchase of new chairs, microphones, recorders, side tables and Dias for the Town Commission Chamber. New software is being purchased to facilitate scanning of searchable documents, new computer servers, computer upgrades, flashing light assembly for the student crosswalk at Gemini School and repairs to the Town Hall elevator.

Long Term Capital will cover 1 mile of roadway mil and pave, curb and sidewalk repairs, fire alarm repairs, roof and windows for Old Town Hall, misting stations for Ryckman Park and upgrade playground equipment

# \*Public Safety

Short Term Capital will allow for the purchase of travel speed signs, new fire engine payment and upgraded dune crossovers,

Long Term Capital will allow for the purchase toward a new police vehicle, bunker gear, radio replacement, vent fans, tractor and a mower bucket.

# **Town Events**

Town employees participated in the Annual Tree Lighting in Ryckman Park complete with our 30ft Christmas tree, snow bubbles, food trucks, Color Guard and music. Employees also participated in the Annual Christmas Parade and Pancake Breakfast sponsored by the Melbourne Beach Volunteer Fire Corporation. The Volunteer Fire Corporation continued its beloved annual tradition of delivering presents from Santa Claus on Christmas Eve to the Santa Stops in Town.

Founders Day was another success with over 65 craft vendors, 3 bands and food trucks. Melbourne Beach Rotary manned the Beer Bus, while Public Works, Police and Fire made sure everything ran smoothly throughout the event, including clean up. Most employees were in attendance from 6AM until 10PM.

The Melbourne Beach Volunteer Fire Corporation sponsored a family friendly Fourth of July during the afternoon complete with food trucks, adult beverages and music.

The Volunteer Fire Department continues with its annual Halloween Haunted House. The wait to get into the Haunted House can be as long as two hours-a direct reflection on how treasured this annual event is by residents and neighboring towns alike. The Police Department also hosts a Halloween movie to keep the festivities going.

Two new events have been added to the calendar: A Fall Festival and a Spring Festival with dates to be determined.

The success of these festivals is directly attributed to the hard work and dedication of the Town Hall employees and MB Volunteer Firefighters. Without the commitment and enthusiasm of these folks, each and every year,

the Town would not have these wonderful events for the residents. Generations of residents gather together during these events to celebrate what is uniquely Melbourne Beach.

# **Departments**

The employees of Melbourne Beach are dedicated professionals, who take the great pride in working for the Town. All employees strives to ensure each resident who comes to the Town Hall Complex or who call us with a question or concern has a positive experience.

**Police Department**: As the Chief of Police since June 2018, Chief Melanie Griswold continues to lead the Police Department forward. The Chief has worked diligently to address the concerns of residents regarding traffic speeding through our neighborhoods. The Officers provide our residents, with a safe and secure Town where they can live, work and play. The department continues to sponsor Movies in the Park with free snow cones and popcorn, Coffee with a Cop, bike helmets fittings and other fun and safety minded activities for the local children. The longevity of Lieutenant Smith, Sergeant Hinchman, Sergeant Sadler and Corporal Bradley provides leadership and knowledge to Officers Bennett, Tejeda, Sullivan, Meehan and Earl.

**Fire Department:** Chief Gavin Brown continues to provide leadership and a strong path forward for his department. His dedicated and skilled employees, Michael Dean and Dave Micka, and the highly qualified Volunteers provides Fire I, Firefighter's training Fire I is a long and difficult rank to achieve. Reaching this level of professional service is a reflection of the commitment these individuals have to the residents of Melbourne Beach. The Fire Department continues to provide training not only on fire safety but road safety, marine rescue, health and medical issues like CPR, AED's, and bleeding to other municipalities and agencies.

**Building Department**: The Building Department is thriving under the leadership of Robert Bitgood, Building Official and his Building Assistant, Kim Kotsifas. Under Mr. Bitgood's direction, there have been many positive changes in the department, including an update to the Fee Schedule, extended inspection days, updated documents and a streamlined permit process. D Builders can now schedule inspections online, email permit requests and pay online. The purpose of requiring a building permits, is to ensure the contractor is licensed to work in Brevard County.

In FY24, the department will pay the General Fund \$20,000 in fees. FY23 was the first time the department was profitable since 2019. The revenues generated by the department are used to offset its expenses including payroll.

**Public Works Department**: Tom Davis, Public Works Director, and his amazing crew, Foreman Sean Hasner, Sean Foster, Duane Selby, and Drew Kurkjack, continue to make the Town of Melbourne Beach a great place to live, work and shine like a diamond. Their regular inspection of the town's infrastructure, parks and buildings, keep our resident's safe whether walking, biking or driving down the streets. This year Director Davis updated the Old Post Office, installed new windows and hung historic pictures inside. Public Works built a new pathway behind the pavilions and Post Office, built a 100' boardwalk in Ocean Park, removed the old bocce court, installed more decorative Town signs, built a "Little Library House" for Ryckman Park, painted the picnic pavilions in Ocean Park, installed two wooden walkways in Ryckman Park repaired the playground

equipment, added sunshades and did 1,000 other projects that make our Town look beautiful. The Town hired a new Groundskeeper, Joe Boucher who has done a truly amazing job fixing our extensive irrigation system, installed vast amounts of sod, mulch, and coquina and maintains the manicured look of the Town (that we love to show off to our neighbors).

**Finance Department:** Jennifer Kerr continues to keep the Town's finance under her tight control. The Town received an excellent Annual Audit report from James Moore. Jennifer is working closely with FEMA to receive all of our outstanding monies from last year's hurricanes. Ms. Kerr and her Finance Clerk, Vickie Van Dyke, have streamlined the way the Town takes payments for parking tickets, permits, BTR's, and Vacation Rental inspections. Ms. Kerr also acts as the Town's Human Resources Manager, providing guidance and support for Town employees and their families. This department rarely has the light shine on them but with their dedication, keen eye for detail and unquestionable integrity, the Town is lucky to have them on our team.

**Town Clerk**: Amber Brown has excelled as our Town Clerk. As the Town Clerk, Mrs. Brown records and transcribes the minutes for the regular Town Commission meetings and workshops, as well as Planning and Zoning, Board of Adjustment, Parks Board, History Board and the Environmental Advisory Board. Town Clerk Brown is implementing the norms task of archiving old documents for permanent retention and archiving current documents to allow for public records searches without Town involvement. Mrs. Brown is also a Lieutenant, volunteer, with the Melbourne Beach Volunteer Fire Corporation.

Code Enforcement: Jim Turner has recently joined Town staff as our Code Enforcement Officer. Jim has managed deftly to clear the backlog of code cases and vacation rental cases. The number of turtle lighting violations this year is 3-an amazing reduction over prior years. Jim's professionalism and organizational skills have greatly benefited the Town. Jim also provides much appreciated assistance with his graphic computer skills and marketing background. In addition to joining us as Code Enforcement, Jim is also a Captain in the Melbourne Beach Fire Volunteer.

Office Communications Assistant: The newest member of our Team, Cydnee (Cyd) Cardwell, will be keeping us organized as she manages all of our social media communications, editing and publishing our newsletter, interacting with the public, fielding phone calls, and assisting department heads with various projects throughout the year.

Town Boards: I wish to thank the members of the Town Boards who selflessly work on behalf of the Town.

- \*The Planning and Zoning Board with Chairman Dave Campbell, continues to monitor the plans on new builds and major remodels of home in Town.
- \*The Board of Adjustments with Chairman Bob Schaefer, continues to hear cases for variances and special exceptions.
- \*The Environmental Advisory Board with Chairman Curtis Byrd, continues to promote sustainability, education and good stewardship of the Town, beach and Indian River Lagoon.
- \* The Ryckman House Board with Chairwoman, Jo Solley-Hanson continues to promote the history of the Ryckman House and founding members of the Town.
- \* The Old Town Hall Board with Chairwoman, Laurie Simmons, continues to promote the history of Melbourne Beach as well as, maintaining a Florida Native Garden and Bee Hives.

\* The Parks Board continues to provide entertainment and education for the resident and their children with events like the Children's Business Fair held in Ryckman Park, the Easter Festival and the Veterans Day Memorial service.

#### **Cost Avoidance**

All department heads continue to research the best, least expensive means to achieve a goal. Much of the work that was previously completed by outside contractors is now completed in house. Four departments within the Town are now submitting grants request on a regular basis to complete projects that were unable to be funded through the current budget.

# Fiscal Year 2024 Town Focus

The Town continues to focus on improvements to the quality of life issues for our residents, such as road paving, recreational facility upgrades, code compliance and public safety. Other major focus' will be the continued upgrades to Ocean Avenue, Ryckman Park, Ocean Park, Bi-Centennial Park and the establishment of a Veteran's Memorial in Circle Park

The Town anticipates completing 3 Infrastructure improvement projects, using the American Rescue Plan Funds and the Stormwater Fund for paving Riverside Drive and upgrading stormwater systems on Oak to Pine from First to Third and in the Flamingo, Harland, and Poinsettia water basin.

I have presented a balanced Final Budget for the Town Commission to consideration for adoption. This budget package represents a carefully thought out and reasonable and responsible financial plan for the upcoming fiscal year. Unexpended funds from the FY23 budget will return to the Town's reserve account increasing that asset.

In closing, I wish to thank Mayor Hoover, Vice Mayor Barton, Commissioner Quarrie, Commissioner Runte and Commissioner Walker for their continued support of myself and Town staff in our efforts to remain fiscally responsible while providing the highest level of services to our community. The project and proposals brought to the Commission would never see fruition without your vision, endorsement and trust.

I would also like to thank all of the Town staff who participated in the development of this budget. All employees are committed to operational efficiency, fiscal responsibility and a sincere desire to improve and enhance the Town of Melbourne Beach. I will continue to execute the goals and wishes of the Commission. It is my honor and privilege to serve the Town Commission and the residents of Melbourne Beach.

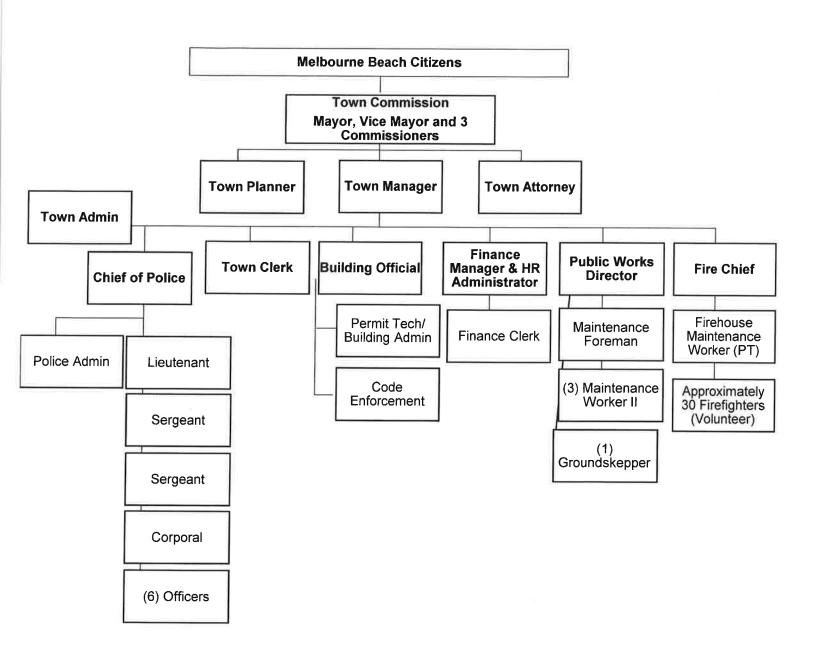

Respectfully,

Elizabeth Mascaro Town Manager

#### NOTES:

Note to Residents: "Maximum Millage" is a specific term the Town uses according to the State Department of Revenue in order for the Town to be "Truth in Millage" (TRIM) compliant. The term "maximum millage" does not imply that the Town Commission will be levying the maximum taxes to the citizens of Melbourne Beach. At the appropriate meeting, the Town Commission sets an amount (a maximum millage) that the Town cannot go over for the final budget. The Town Commission can come down from the maximum millage amount when determining the final budget, but cannot go over this amount for any reason.
