

Town of Melbourne Beach

RYCKMAN PARK SHORELINE CLEANUP

SATURDAY, JANUARY 14, 2023, 8am-12noon

West end of Ocean Avenue in Melbourne Beach-End of MB Pier

Join us on Saturday, January 14th from 8am-12 noon, to help the Indian River Lagoon (IRL).

We will be cleaning up the Upland Buffer Project native plants which protects the IRL from runoff.

This project was originally installed by the Surfrider Foundation and the Town of Melbourne Beach. It needs some weeding and TLC to bring it back to its original glory to help the butterflies, pollinators and birds while keeping pollutants from reaching the IRL.

Bring gloves, sunscreen and water. We'll provide the rest.

Questions? Call the Town of Melbourne Beach @ (321) 724-5860 or Environmental Advisory Board Members Crystal Cain @ (321) 698-3533/ Curtis Byrd @ (321) 266-0794 for details.

Great opportunity to earn service hours!
