#### NOTES:

Note to Residents: "Maximum Millage" is a specific term the Town uses according to the State Department of Revenue in order for the Town to be "Truth in Millage" (TRIM) compliant. The term "maximum millage" does not imply that the Town Commission will be levying the maximum taxes to the citizens of Melbourne Beach. At the appropriate meeting, the Town Commission sets an amount (a maximum millage) that the Town cannot go over for the final budget. The Town Commission can come down from the maximum millage amount when determining the final budget, but cannot go over this amount for any reason.
