Town Commission Workshop Agenda Item

Section: New Business

Meeting Date: March 3, 2021

Subject: Discussion related to setting some meeting parameters for the History Preservation and Awareness Board since it involves how the Ryckman House is maintained and presented to the community.

Submitted By: Vice Mayor Barton

Background Information:

The History Preservation and Awareness Board (HPAB) has remained largely inactive during the pandemic. The board has met only twice in 2020 (in January and in June) and has had no meetings so far in 2021.

In addition, a discussion should occur related to the historic records of the Town in general including where they are and how they are kept.

The HPAB serves the Ryckman House and Historic Preservation by the Daughters of the American Revolution

Recommendation:

Establish meeting parameters and expectations for the HPAB and discuss how and where historic Town records are maintained.

Town Commission Workshop Agenda Item

Section: New Business
Meeting Date: March 3, 2021
Subject: Pine Street Traffic
Submitted By: Elizabeth Mascaro, Town Manager

Background Information: Chief Griswold sent me a memo regarding the high volume of traffic, pedestrians, bikers, and children on Pine Street in the morning and afternoon.

The Police Department counted the number of vehicles and their rate of speed at Sixth and Pine and used foot patrols to issue citations. Based on their findings the Chief would like to recommend the following:

- Placing a 3’ fog line on both sides of Pine Street providing a guide for walkers and bikers.
- Reduce the speed limit from 25mph to 20mph from Andrews/Pine to south of Ocean Ave.
- Install Stop signs at First and Fifth Avenues.

Recommendation: Approved recommendations from Chief Griswold
