### State updates

- Florida Governor Ron DeSantis has announced all vaccines dispensed in Florida should be available specifically for eligible Florida residents.
- In Brevard County, appointments are required for vaccination, and those currently eligible for the vaccine are Florida residents age 65 and older, and healthcare workers with direct patient contact
  - Individuals receiving a COVID-19 vaccine must bring:
    - All clients must provide identification
    - Healthcare workers must provide proof of employment in addition to ID (examples: work ID badge, paystub, etc.)
    - Individuals with an out-of-state ID should also provide proof of residency or semi-permanent residency (examples: utility bill, property tax receipt, lease agreement for Florida property, etc.)
  - Any out-of-state client who has received vaccine at the Florida Department of Health-Brevard in Viera site prior to January 19, 2021, will have their second dose appointment honored.
  - Please do not visit a vaccine site without an appointment
